Dilapidated buildings near railway tracks

1658. SHRI HUSEN DALWAI: Will the Minister of RAILWAYS be pleased to state what steps Government propose to take for safeguarding the railway tracks from the impending danger of collapse of dilapidated buildings on the sides of the railway tracks in Bombay?

THE MINISTER OF RAILWAYS (SHRI A.B.A. GHANI KHAN CHOUDHURY): Sir, responsibility for maintaining buildings in safe condition adjacent to the railway tracks outside railway boundary in the Bombay suburban sections rests with the owners of the buildings, Municipal Corporation of Greater Bombay and the Housing and Area Development Board.

A joint Committee of Engineers of the Western Railway, Bombay Municipal Corporation and Housing & Area Development Board was constituted in 1983 for surveying and inspecting the buildings adjacent to the railway tracks in the suburban section of Western Railway and to suggest remedial measures. The Committee has completed the survey and inspection of all such buildings and have identified certain buildings which require attention. Similarly, a detailed survey of such buildings adjacent to the Central Railway tracks was carried out by the Central Railway prior to the present monsoon.

Repairs, strengthening or demolition of the buildings as required as a result of these surveys are advised to Bombay Municipal Corporation/Housing and Area development Board for suitable action.
